The main reason we had to organize such an event with a sense of urgency in our adopted village was, some people in this hamlet used to tell us that alcohol and other drug use was an insurmountable problem in their lives despite their dire financial straits. As part of the project, an excellent exhibition, distribution of pamphlets and door-to-door awareness campaign were held. The locals considered it as a unique event that would make the addicted people change their minds.64 of our NSS volunteers also participated in this programme with the local people.

SOLACE: ABILITY CAMPUS VISIT

Date of event	Number of students participated
27/12/2016	50

The intentional visit to the spacious **Ability Campus** (A Non Govt. charitable institution established for the all-round development of all categories of the differently abled) at Valiyaparamba near Pulikkal was a unique event that opened the eyes and touched the hearts of our volunteers amidst their community service activities. This institution is a rehabilitation centre for hundreds of its inmates who are suffering from physical, mental and financial disabilities and challenges. The people there showed us how to live without panicking in the midst of excruciating pain and without being overly disappointed in own difficulties.

Most of our students, who complain excessively about even minor issues, shared heart-breaking feelings after this visit and they came to realize how blessed they are.

SOCIO-ECONOMIC SURVEY

Date of event	Number of students participated
28/12/2016, 29/12/2016	63

A socio-economic survey was conducted by our NSS Volunteers on 28 and 29 December 2016. As part of this event, our volunteers visited more than **250** houses in the **N.H. Colony** hamlet accompanied by many locals, especially young people who were active in various cultural clubs in the region. It was an eye-opener to all. Volunteers shared many heart breaking realities after the survey. In this well-planned survey, we got a first-hand picture of this vast village that was socially, economically and educationally backward. The survey was able to provide an overall picture of the village and also helpful to plan future programmes.

'SHUBHYATHRA' ROAD SAFETY AWARENESS

Date of event	Number of students participated
17/01/2017	54

"**SHUBHAYATHRA**" was one of the distinctive projects we have done on 17/01/2021. We were motivated to carry out such a campaign by the series of shocking accidents in our state due to negligence and inadequacy in driving. As part of this campaign, we had prepared a pamphlet in advance with guidelines for safe driving. Our volunteers handed it over to the drivers of all the vehicles passing through the National Highway and all of them happily accepted it. The pamphlet contained thought-provoking warnings for two-wheeler drivers who were passing by without helmets and for drivers of other vehicles who did not wear seat belts. The locals were amazed to see the volunteers distributing sweets in appreciation of all the drivers who crossed the highway in compliance with all traffic and road safety norms. Kondotty Sub Inspector **Vijayan** inaugurated the opening session held at Periyambalam town.
