

Madeenathul Uloom Arabic College, Pulikkal

Analysis of Feedback – 2022-23

Student's Feedback Analysis Report

1.1 About the Survey

The IQAC of the college distributed feedback form on curriculum and its transaction in the institution among available students in the college on 10-03-2023. The feedback form was given to students when the college reopened in offline mode. 300 students were responded to the feedback including 210 students from department of Arabic and 90 students from department of Economics with Islamic Finance.

Table 1.1 Total Numbers of Students Responded to the Feedback

Department	Frequency	Percentage (%)
Arabic	210	70
Economics with Islamic Finance	90	30
Total	300	100

1.2 Methodology

This survey report is descriptive and analytical in nature. Census method is used for data collection by providing questionnaire to the entire students. Each department collected and analysed the feedback separately. The data were collected by the 5-point scale questionnaire prepared by IQAC. For the analysis of data – the descriptive statistics like average, percentage and diagrammatic tools were used.
