## REPORT

Bhoomitrasena, the army of nature lovers is a club of Madeenathul Uloom Arabic College that is formed essentially for nature and strives for its protection. The idea of BMC is conceived by the Directorate of Environment and Climate change, Govt. of Kerala. The club functions by propagating the needs for nature-conservation among the youth. The club conducts many activities in the campus like cleanliness drives, debates, planting trees, maintenance of gardens etc.

The Club conducted a Bicycle Rally from college campus to Kondotty in connection with the observance of national pollution control day on 2<sup>nd</sup> December 2021. Mrs. Sareena Haseeb flagged off the rally. Dr. Sayyid Muhammed Shakir presided over the function. Dr. N. Mohammed Ali. (Asso. Professor), Prof. Ibrahim PK gave felicitation address. More than 30 club members participated in the rally. The pollution control awareness placards, slogans and posters displayed on the bicycle. The programme was highly remarkable and interesting. In the finishing point at Kondotty town, Dr. Sabir Navas gave an inspirational talk on the significance of pollution control in the modern society. The prestigious club has been spearhead by Dr.Sabir Navas CM,(Asst. Professor) and Moosa Parayil (Asst. Professor).
